## INTER-OFFICE CORRESPONDENCE

DATE: April 8, 1971

MEMO TO: C. E. Clark

FROM: Rene<sup>1</sup> Van SomerenSUBJECT: COOK COUNTY/Land Pollution Control  
Chicago Heights/Lo Bue - 2

EPA Region 5 Records Ctr.

303308

On the above date I contacted Mr. Tony Lo Bue and indicated that he should send in completed permit applications as soon as possible. I also indicated that adequate fences should be maintained and that a gate should be put up at the entrance along with posted hours.

I asked him about daily cover and he indicated that the refuse was being covered on a daily basis. I indicated that six inches was the required amount. He said it would be taken care of.
